Dear Parent/Guardian,

In the first 2 weeks of term, the whole school will be taking part in a local history project. Each class will be investigating a different aspect of the history behind our local area. In KS1, the focus is on the pottery industry, Josiah Wedgwood and the famous bottle kilns which form our local landscape.

As part of this learning, we have been lucky enough to have visitors from Middleport Pottery coming into school on **Wednesday 15th September**. The visitors will be giving the children a virtual tour of the kilns at Middleport, and giving information all about the process of pottery making, from clay to plate. The children will have chance to ask lots of their own questions and speak to real experts in the field, who will tell us all about what

To support in funding for this exciting experience, we are asking for each child to pay **£2**, which can be paid or via ParentPay. Please make all payments in to school by Monday 13th September.

If you have any questions about the experience, please do not hesitate to get in touch with a member of the KS1 team.

Thanks,
Miss Pitt and Miss Woodward.
