Dear Parents,

We have had a number of cases of head lice reported to us by parents over the last couple of weeks. Please would you check your child's hair and scalp as soon as possible in order to prevent further cases.

If you find eggs or lice the best way to treat the problem is to use conditioner and a wet comb. Apply conditioner to hair and comb through with a fine-toothed comb. **THIS MUST BE DONE EACH DAY FOR THREE WEEKS** so as to prevent re-infestation. One egg remaining will cause a repeat problem.

If you need further advice please contact school and speak to Mrs Meadowcroft.

Yours sincerely,

Mr S Martin
Head teacher
