**RE: Jodrell Bank**

**30/06/22**

Dear Parent/Guardian

I have arranged a visit to Jodrell Bank. This will provide an amazing and valuable learning experience in which they can explore our solar system and space. This visit will link with our previous learning in science topics including space and also scientists and inventors. The trip will include a visit to the exhibitions at Jodrell Bank, a curriculum-based planetarium session in the space dome and a presenter-led science show about the evolution of telescopes including the Lovell Radio telescope.

The trip will take place on Tuesday 12<sup>th</sup> July. Children will need to be wearing their school uniform with an appropriate coat for the weather. Packed lunches will be needed, they can be either brought in a throw away pack or in a reusable lunch bag. Also may I ask that no fizzy drinks be provided. Children who would usually receive free school meals will have a packed lunch provided for them by the school as usual.

The cost of this trip per child will be £23.50. This will cover the cost of the Museum Led Sessions and the return coach journey. The cost is unfortunately high due to the increasing prices of fuel and coach travel. The children will be leaving the school premises at 9.00am and we will return at approximately 3.15pm, traffic permitting. If there is little interest in the trip then we may have to cancel due to insufficient demand.

Kind Regards

Mr Barlow  
 Year 5 Class Teacher
