

Good morning everyone!

Please find attached links for reading, writing and maths sessions on the class page.

For this afternoon, our next topic will be Frozen Kingdoms. For this, please can you create a fact file on polar climates including tourism.

Reading your home reading book would also be great so that you can quiz tomorrow! Alongside TTRS.

I have also attached two website links for extra revision for SATS and for extra afternoon sessions.

Have a good day and please stay safe,

Miss Pitt.
