To Parents and Carers

15th December 2025

Dear Parents and Carers

In accordance with regulations and the School Admissions Code, The Societas Trust ("Trust") is consulting on its proposed admission arrangements for 2027-2028.

The Trust is proposing to make changes to the general admission arrangements that were determined for 2026-2027 to the oversubscription criteria for admission to reception and to our published admission numbers (PAN).

You can view a full copy of the proposed admission arrangements at <https://www.societatrust.org.uk/page/?title=Admissions&pid=17>.

The proposed changes are highlighted in yellow.

Comments on the proposed admission arrangements should be emailed to me via admin@societatrust.org.uk and arrive no later than the 31st January 2026. I will endeavour to respond to these as quickly as possible.

If you have any difficulty accessing the link or require a paper copy, please email admin@societatrust.org.uk or contact the above address.

Finalised admissions arrangements for 2027-2028 will be determined by 28th February 2026 and will be published on the Trust's website.

Yours sincerely

Jon Lovatt

CEO and Accounting Officer

Great Learning Opportunities for all!
