Dear Parents and Carers,

I hope this letter finds you well and that you are enjoying the school year so far. As we continue to provide an enriching and engaging learning environment for our young learners, we are reaching out to seek your support in enhancing our indoor and outdoor areas in Reception.

We believe that hands-on play and exploration are pivotal to children's development and therefore we are looking for some donations to help us create an even more stimulating atmosphere. If you have any of the following items at home that you no longer need, we would be extremely grateful if you could consider donating them to our Reception classroom:

- Home corner resources (such as dolls, prams, doll's clothes, iron, ironing board, food, cutlery, saucepans)
- Construction materials (such as building blocks/bricks)
- Dressing up clothes
- Metal pots, pans, jugs, baking trays and utensils for our outdoor mud kitchen
- Ride-on toys and vehicles
- Storage boxes with lids or other storage containers
- Balls, bats and other playground equipment
- Role play resources (such as for a travel agents, farm, police station, fire station, Santa's workshop etc)
- Games and puzzles
- Small world play (such as a castle, farm, garage, fire station)
- Gardening equipment.
- Sand and water toys.

Each and every item will be put to great use and will contribute immensely to our children's learning experiences. We want our children to engage in imaginative play, teamwork and further develop their motor skills through various indoor and outdoor activities.

If you decide to donate, please ensure that items are clean and in a safe, usable condition. You can bring them to school and leave them by the Reception gate during drop off and pick up times, or drop them at the office. We appreciate any support you can provide and are thankful for the generosity of our wonderful community.

Thank you for considering this request. Together, we can create a resource-rich learning environment for our children to thrive.

Warm regards,

Miss C Sutherland
