RE: Revision Guides

Dear Parents / Guardians

SATs week is fast approaching! The children are working really hard at school on their SATs skills using specific revision books to support them.

The school can order Revision Guides for the children in English and Maths for you to use at home, with your children, as extra support. They are published by CGP and are highly recommended for your child to use. They follow a similar style to the SATs papers and the children will be familiar with these types of books, as we use similar CGP books in school.

SATs test the children on their knowledge learnt from Year 3 through to Year 6. Therefore, it is crucial that they are able to revise little and often to support them through their SATs, to build their confidence ready for high school and to support with this transition.

The school can purchase the books at a discounted price of £ 2.85 each or £5.70 for both.

If you would like to buy a copy of either or both of the books, then please order and pay via your Arbor account by **Thursday 5th March 2026**.

Please feel free to contact myself or the office if there are any questions

Kind Regards,

Miss Pitt
