Dear Parent

## Parent Governor Election

I wrote to all parents to invite nominations for the vacancy of parent governor. There has been a good response and there are two candidates for the one place. This means that we must now hold an election and parents are required to vote for their preferred candidate.

I enclose a ballot paper for you to print off, complete and return to the academy. Alternatively, there will be ballot papers available in the main reception area from Tuesday 7<sup>th</sup> to Friday 10<sup>th</sup> May. You are entitled to one vote for this vacancy. This means that you can vote for up to 1 of the candidates. As indicated on the ballot paper you should vote by marking a single "X" alongside the name of the parent you support.

The ballot will close at **12pm on Friday 10<sup>th</sup> May 2019**. Votes received after this time will not be valid.

Once the votes have been counted, I will tell you the result of the election.

Information about both candidate can be found below.

Yours sincerely

Mr. S Martin

Head teacher

## Craig Hinks

I am a degree-educated chemist, with my bachelors in chemistry. I am currently the lead production technician for a market leading refining and reclamation specialist company. I would describe myself as a results driven, opportunistic and innovative individual, open to novel and intuitive ideas to problem solving whilst championing a right first time mentality. My ultimate goal would be to work towards attaining chartered status with the Royal Society

I want to continue to drive and improve on the schools learning policy and ethos as outlined in the mission statement "Goldenhill Primary school provides a happy, friendly, secure and respectful environment; where everyone achieves their potential and develops a lifelong love for learning." I believe I have the tools to do this with my skills and ambitions.

Finally, in my spare time, I am a gamer and I am a massive fan of the tomb raider or far cry series, a CAMRA member and regularly attend CAMRA festivals, and an avid sports fan in particular football and cricket

## Kayleigh Lambert-Reynolds

My name is Kayleigh Lambert-Reynolds I am the mum to Bayleigh who is currently in reception.

I am a fully qualified and registered nurse and I have been qualified since 2012. I have a good understanding of data protection and safeguarding and feel very passionate about this and these are also very important to the role of a parent governor.

I am a member of the family forum within the school so as a team we help to tackle any problems that have been identified to us but we also help to bring new ideas to the table.

Goldenhill Primary Academy is already an outstanding school and are recognised by OFSTED. I feel that I can help the school in maintaining this. I am very passionate in helping people to reach and achieve their targets. I believe that every child deserves the opportunity to show their abilities and to shine

I am very passionate about primary school education, and if I were to be elected as parent governor I would help Goldenhill Primary Academy to meet future challenges but also making sure each child achieves to the best of their abilities. I believe that the first years of a child's education are crucial to later academic achievements and to develop social and other life skills.

I believe that clear direction and leadership are key to an effective governing body and therefore keeping the school successful.

I am very keen to support other parents and to work as a team within the school to ensure that all children at Goldenhill primary Academy receive the support, care and intervention they need to lead a happy and fulfilling life.
