Dear Parent/carers,

On the 19<sup>th</sup> March I wrote to ask parents to express their preference in relation to their preferred communication method going forward and to vote on the following proposal:

**From the start of the summer term (Week commencing 29<sup>th</sup> April), all letters will still be on the website for all parents to access but instead of receiving this letter in paper as well, you receive a text message informing you that a letter has been saved on the website for your attention. This text will also have a link that you can click, taking you directly to the letter on the website.**

**We will also produce a small number of hard copies of these letters that will be available from a display in the main reception.**

Thank you to all the parents and carers who stated their preference and returned slips to the academy. **78%** of responses have voted in favour of the above proposal.

So, to confirm, from the start of the spring term, all letters will continue to be uploaded onto the academy website and parents will receive a text message with a direct link to that letter.

For any parents who do not have access to computers and/ or the internet you can still request to receive paper copies of all letters that are sent home by completing and returning the attached slip below back to the academy office by Tuesday 30<sup>th</sup> April 2019.

Yours sincerely

Mr. S Martin  
Head Teacher
