14th May 2019

Dear Parents

It has been wonderful to see the sun put in an appearance this week and the children have very much enjoyed being able to get outside more.

It is very important that, as our children can spend a good deal of the day outside, they are sun safe. Please could you ensure that your child has a named hat in school each day and also their water bottles – please ensure that bottles contain only water and not juices. Also could children please be covered in once a day sun cream **before** coming to school so there is no need to apply during the day. We are unable to put cream on your child or rub it in and the children are too young to be able to do this themselves and ensure they are adequately covered.

Many thanks. Keep enjoying the sun!

Regards

Mrs S. Cookson
