Please see Level 2 consent leaflet

Dear Year 5 Parent/Guardian

On behalf of Cyclist Training Ltd and Goldenhill Primary Academy, we wish to offer your child the chance to take part in Bikeability Level 2 cycle training **FREE of Charge on Tuesday 12th & Wednesday 13th March 2019.**

This is a national scheme funded by the Department for Transport and provided through Stoke-on-Trent City Council. During Level 2 on-road training pupils gain a comprehensive knowledge of correct positioning, signalling, negotiate a variety of junctions, understand the Highway Code and road signs and learn lifelong skills of general road safety awareness. The training will commence on quieter roads and then progress to more realistic sites. Bikeability is designed to help our children stay safe whilst riding their bike.

Those who achieve all the outcomes will be awarded a Bikeability Level 2 badge and certificate.

To take part you need a bike (helmet recommended) suitable outdoor clothes and signed consent.

Please return your signed parental consent form as soon as possible to reserve your place – return prior to **Wednesday 6th February 2019.**

We look forward to seeing your child on the course.

Yours sincerely

Miss Liann Allpress
