Dear Parent/carer,

I am delighted to report that the 2017 key stage 2 results have been released today and they are as follows:-

Key stage 2 results – all test scores have been converted into “scaled scores” from 80 to 120 with 100 the expected standard for each subject (Reading, Grammar punctuation and spelling and Maths) except Writing –which is teacher assessed.

The DfE have also released interim 2017 KS2 national attainment figures. These take into account all the SAT’s data from across England. I have used this as a comparison to our school results.

Key Stage 2 results 2017 – children achieving 100 scaled score or above.
