November 2016

Dear Parent/Guardian

I am excited to say that it is time for our second teamwork day. The children were incredible back in September when we spent the day having lots of fun and working together as a team.

On **Wednesday 9th November** the staff will be running a variety of science activities, to fit in with World Science Day.

The children will be outdoors for some of the day, so please send children with wellies that they can change into them if the grass is wet and please make sure they have a warm, waterproof coat. They will also need to be wearing comfortable clothes and, if possible, a tshirt/jumper in their team colours (please see your child's teacher if you are unsure what team they are in.)

During the day the children will have the chance to be forensic scientists, work with electricity, investigate how objects fly and explore our outdoor environment through scavenger hunts.

If you have any questions please pop in and see us.

Thank you for your continued support

Mrs Swallow
