Dear Parent/carer,

Friday 20th January 2017

We are pleased to announce the launch of the **new school APP** for Goldenhill Primary Academy.

The APP will allow you to view all contents from the school website on your mobile device and tablet and will enable the school to keep you up to date with news, closures and upcoming events (through 'push notifications').

As a school we currently communicate with parents in a number of different ways. The new App not only adds to these methods, but is a way in which we can reduce the amount of letters that are sent home. As a result we are asking that if you can, that you please download the APP from either the Apple Store or Google play. Details of how to download the APP are included with this letter.

Many thanks.

Mr. S Martin
Head Teacher
