

Science

In Science, we will be completing a unit called 'Light Theory.

This project teaches children about the eye and how we see light. We will be testing out this theory looking at different variable that may change this.

PE

PE this half term will be **Bee Active on a Friday** focussing on Athletics. Children should arrive at school in their PE Kit and stay in their PE Kit for the rest of the day on a Monday
Please ensure that this is the correct PE kit.

Maths

In Maths we will be working on:
Revisiting all previous units
Algebra
Word Problems

English

We will be writing a recount, a prologue and a setting description.

SPAG

Revision of Y3-6 SPAG gaps.

Colons, lists and bullet points, Hyphens and dashes Boundaries between main clauses, Coordination and subordination.

Computing

We will be using Purple Mash in all lessons to help build our computing knowledge and also learn about coding and how it works in the real world!

Britain at War

Art and Design

Photo Opportunity

Exploring art through the use of photographs and photomontage. Alongside using different photo techniques and editing tools.

Design & Technology

Programming a digital navigation tool

History

In the Britain at War project, children will learn about the main causes of the First World War and which countries were the major players.

They will investigate why so many men volunteered to fight and then sequence the events at the start of the war as well as life in the trenches and the consequences of new weaponry.

They will listen to first-hand accounts of life on the home front and evaluate the impact of war on everyday life. They will also discover the events that led to the Allied Powers' victory and the consequences of the Treaty of Versailles.

The children will also learn about the causes and main events of the Second World War. They will find out how Britain prepared itself for war and the war's impact on civilian life. They will learn about the Battle of Britain and how it proved to be a key turning point for the Allied Powers. They will also hear about Anne Frank and discover what her story tells us about the treatment of Jewish people by the Nazi Party.

Reading

In English we are reading Friend or Foe by Michael Morpurgo.

Each week there will be lessons on:

- *Reading each chapter.
- *Find & retrieving answers from the text.
- *Thinking about characters, feelings,
- *Thoughts and actions.
- *Vocab

Please ensure your child still reads at home and has this signed in their diaries.
