Thursday 17th September 2026

Dear Parents and Carers,

We wanted to provide you with a further update regarding the ongoing flood reinstatement works at Goldenhill Primary Academy.

A clear programme of works has now been agreed with the contractors, with the remaining reinstatement taking place in phases over the coming weeks. This will include completing the remaining flooring, decorating affected areas and carrying out the necessary joinery and plumbing works.

A particular priority continues to be the toilet provision. Temporary works are due to take place this week to enable us, hopefully, to bring some of the internal toilet facilities back into use from Monday onwards. If this is successful, it should mean that we can reduce our reliance on the mobile toilet units currently situated on the playground.

Further works will continue through the remainder of September and October, with a significant amount of the outstanding work planned for the October half-term holiday in order to minimise disruption to pupils and staff.

There will also be some final permanent works to the toilet areas once the new bespoke units have been manufactured and delivered. We are awaiting confirmation of these dates and will keep you updated as soon as we know more.

We appreciate that this has been a lengthy and challenging process, and we are very grateful for your continued patience, understanding and support. We are pleased that there is now a clear programme in place and that the work is progressing.

As always, the safety and wellbeing of our pupils and staff remain our priority.

Kind regards,

A Bagley

Mr A. Bagley
Acting Headteacher
